

**Ark Swift Primary Academy  
SPORTS FUNDING 2017/2018**

Since September 2013, Ofsted inspections report on PE and sport provision and on how schools spend their additional funding. We are accountable as a school for how we spend this grant and the impact that it has upon participation, attainment and practical benefits. This document is an overview outlining how we, at Ark Swift, plan to invest the government grant and how we will track the impact it has upon our children.

**Amount of funding received 2017/2018     £18,770 (estimated)**

Over the past several years, Ark Swift has renewed its commitments to high quality physical education by gradually expanded its offer.

From 2017, Ark Swift plans to develop a robust and bespoke Sports and Fitness offer. An investment is being made by bringing in a specialist staff member who can develop the curriculum and develop fellow staff to deliver the highest quality curriculum alongside a robust “wider offer”.

Our wider hopes is that this funding will enable the academy to provide the school access to the best coaches and facilities, and to allow our pupils to access tournaments and competitions through designated members of staff.

**How we plan to spend our 2017/2018 Sports Grant**

Item	Why	Cost	Expected Outcomes	Impact (Evaluation) (July 2018)
LA Sports Package Subscription	It enables access to interschool competitions, leadership opportunities for children, membership of the Youth Sport Trust	£1000	Pupils will have the chance to participate in competitions	

Sports and fitness leadership and staff development	In order to use the funding to promote further change, leadership is being developed and established inside the academy who can support and develop others.	£6000	Staff are able to deliver quality and challenging lessons and PE experience to support and develop pupils.	
Additional Provision – After School Clubs`	A full, varied and challenging club programme offers fitness opportunities outside of the school day	£8,390 tbc	Specific sports coaching provides for wide range of pupils and increased percentage of school population engaging in sports enrichment	
Sports Breakfast club	Develop a sports them breakfast club open to all combining early morning exercise with the breakfast itself	£2000	This club helps children start the day nutritionally and with great focus.	
Positive play equipment – including basketball/net ball next and other static equipment	Positive play equipment for both lunch and play times in KS1 and KS2 ensuring children have access to a variety of enjoyable and challenging equipment	£2000	Children will be engaged in creative, active and productive play.	
<b>TOTAL</b>		<b>19,390</b>		

### **Measuring Impact**

We will be measuring the impact of our spending in the following ways:

- To ensure 100% participation for all pupils in PE and that each child would elect to attend a club
- To increase the number of Pupil Premium children accessing after school activities

The newsletter will communicate to parents and the community the impact of the various initiatives and will remind parents to encourage their children to take part and report their progress back to them at home.

### **Reviewing & Improving Our Sports Offer**

We will review the quality of the Sports offer provided at Ark Swift and look to include a section with the School Evaluation as to how this can be developed and improved to drive outcomes for all.
