

# Ark Swift Primary Academy

9 October 2017

Dear Visitor,

**Share the good news!**  
**Open Day: 18 October 2017 at 2:00pm**

We are proud to work with your children and families and want even more children to come to Swift. I am excited to tell you about our **Open Day** coming up on **Wednesday 18 October at 2pm** at Ark Swift.

This is aimed at parents who have children that wish to join our nursery this year and next year, our reception class in September 2018, and any other year group. Our nursery is run by Miss Victoria Burton and is one of the **best nurseries around**. Children **made great progress** in our nursery last year. The nursery is **free** and **full time** for everyone. Please encourage people you know that would like to see it to book a place on the Open Day.

Visitors on the day will also meet our reception teacher, have a tour of the school and visit the current reception class to and find out how exciting reception is here at Ark Swift. **Current nursery parents** should book a space as you will need to apply again for reception. Please feel free to bring young children along.

Please share the good news and **spread the word**. Anyone interested in visiting on the open day should ring the school office on **02087432514** or email [info@arkswiftprimary.org](mailto:info@arkswiftprimary.org). **Booking is essential**. Details of other open days can be found on the school website: [arkswiftprimary.org](http://arkswiftprimary.org).

Yours sincerely

Jason Marantz  
Principal
