

Ark Swift Primary Academy

The Swift Way

Equality Statement

1) Our Mission

To provide every pupil with the opportunity to go on to university or pursue the career of their choice.

Here at Ark Swift, a positive climate for learning and a culture of high expectations prevails, a shared belief that all members of our learning community can achieve to a high standard, regardless of circumstances or background.

At Swift we are all committed to our values. We believe we can achieve and these values underpin our high expectations of behaviour, progress and attainment.

- 1) Generosity – We are generous with our time and talents to encourage and help others.
- 2) Hard Work – We will try our best at all that we do.
- 3) Trust – We build trust through transparency and honesty.
- 4) Enjoyment – We ensure we enjoy learning and celebrate our achievements.
- 5) Persistence – We never give up, even when things seem hard.
- 6) High expectations – We have the highest standards in all that we do.

2) Our school and Equality Act 2010

The Equality Act 2010 outlines the three aims of the general duty to have due regard for Equality, across all organisations:

1. Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010.
2. Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
3. Foster good relations across all protected characteristics – between people who share a protected characteristic and people who do not share it.

Specifically, due regard is to be given within organisational life in order to:

1. Remove or minimise disadvantages
2. Take steps to meet different needs
3. Encourage participation when it is disproportionately low.

We have a strong commitment to fairness and equality in everything that we do.

- We endeavour to ensure that everyone is treated fairly and with respect.
- We work hard to make sure that the academy is a safe and secure environment for everyone.
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same.
- We recognise that for some pupils extra support is needed to help them to achieve and be successful.
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents/carers.
- We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.

We welcome our general duty under the Equality Act 2010 to have due regard to the need to eliminate discrimination; to advance equality of opportunity; and to foster good relations.

We also welcome our specific duties to publish information about our school population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities or disadvantages.

Meeting our duties to promote community cohesion, and the spiritual, moral, social and cultural development of pupils, also supports how we meet the needs of different groups of pupils and how we foster good relations.

We welcome the emphasis in the Ofsted inspection framework on the importance of narrowing gaps in achievement which affect, amongst others:

- pupils from certain ethnic and cultural backgrounds
- pupils who are supported by the pupil premium
- pupils who are disabled
- pupils who have special educational needs

3) The Public Sector Equality Duty

The information provided in this section shows how we are meeting the public sector equality duty. We are required to have due regard for the need to:

- A. Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010
- B. Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- C. Foster good relations between people who share a protected characteristic and people who do not share it.

The information below is a summary of how we have due regard to the need to eliminate discrimination, harassment and victimisation. Please contact us if you would like to see copies of any of our school policies.

- We are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage.
- Our school governors, and Ark trustees, have been briefed on their legal responsibilities under the Equality Act 2010, and have also been involved in supporting the school to meet its public sector equality duty.
