

A message from the principal, Jason Marantz

Dear Parent and Carers

A Uniform Approach...

I often write about school uniform in our newsletter. School uniform is very important because it makes us all feel like a member of the school community.

Whilst there has been an improvement, there are still children who do not come to school in the correct uniform, and this includes wearing the appropriate black school shoes.

From Monday, we will ring parents and carers whose children are not in the correct uniform. You will be asked to fix the problem immediately.

I remind you that it is you, our parents and carers, who are **responsible for ensuring that your children wear the correct uniform.**

The full school uniform policy can be found on our website, where all of the policies are kept. A special guide featuring pictures of all of the uniform is attached to this newsletter. Please read this carefully and ensure your children have all of the correct pieces of uniform.

Remember, you can buy most items of the uniform from the school.

Thank you for your cooperation in this important matter.

Many thanks

Jason Marantz, Principal
