EdCity

Thank you to those of you who were able to make the section 77 consultation event held on 5th March.

As you all know, our school will be redeveloped as part of the EdCity project. I wrote to you previously about the current consultation which is about the reduction in our play space as a result of this development. There are boards in our foyer which give you information about the proposal as well as feedback forms for you to complete with any comments you have.

The consultation period will now run until **15 April 2019**. If you would like to discuss in more detail, please do not hesitate to get in touch via the school office.

World Book Day

World Book Day was a great success and the children looked stunning in some very creative outfits!

The day consisted of a range of activities to promote the enjoyment and importance of reading:

- Dressing-up!
- An assembly about the importance of sharing stories
- Author/illustrator masterclasses
- Book Talk Graffiti
- Quiz time
- Drop Everything and Read
- Reading buddies
- Reading Café – thank you to all those parents that joined us for this

Many thanks to Miss Young for organizing such a great World Book Day 2019!
