

A farewell from Mr Marantz:

Dear Parents and Carers

This is my final message to you in my role as Principal of Ark Swift before I depart.

I have very much enjoyed working at Swift and getting to know you all. The children who attend our school are incredibly special. We have made some exciting improvements this year. Our Year 6 children have achieved the highest SATs results in 3 years, since the SATs became harder. What a great achievement!

We have tried very hard to develop the school curriculum, the offer and the way we try to support families.

My final message to you is that the school **needs your help**.

They are some very able children in the school and what they really need is someone to give them help at school and at home.

Please – support the school. Get your children here on time, help them make the right behaviour choices and most importantly, encourage them to succeed.

Thank you again for your support.

Farewell

Mr Marantz
