

## History

This term we will be learning about Ancient Egyptians. The children will find out about the leaders and Ancient ways of life.

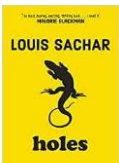

## Geography

This term we will be learning about the challenges that our world faces such as: climate change, and pollution.

## English

We will be reading the books 'Wonder' and 'Holes'. The children will start by writing diary entries and then a fact file on Ancient Egypt.

## Computing

We will be using school computers to discuss how to keep ourselves safe online.

## Maths

This term we will be covering addition and subtraction, multiplication and number facts.

Year 6

Autumn term

## Art/D&T

The children will start by drawing self-portraits in the style of Andy Warhol. They will then move onto drawing buildings in the style of Steven Wiltshire.

## Music

In music this year we are learning to play the ukulele! The children will have a ukulele at school to practice on. We will learn how to read music and play simple rhythms.

## Science

The children will be looking at light and how we see. They will then be sorting animals into groups and looking at similarities and differences.

## P.E

Year 6 will focus on developing sports skills as well as improving fitness levels. Through skill development the children will experience sports such; athletics, tag rugby, dodgeball and football.
