

Message from Mr Upfield

Dear Parents and Carers,

It has been so lovely to welcome all of our families back on site these past few weeks. The school is yet again a hive of happy activity and the children have been just brilliant, they've settled quickly and confidently back into the routines and expectations.

We would all like to take this opportunity to thank you for the support and understanding you have shown as we have adjusted again and for the part you have played in helping to ensure such a settled and successful return to school for all.

We hope all children will enjoy the Easter treat they're coming home with today!

I hope the sunny weather holds over the Bank Holiday weekend and you all have a well-deserved Easter break. We look forward to welcoming everyone back to school on **Tuesday 20th April** for the start of the summer term.

With warm regards,

Daniel Upfield
Principal
